Special Low Prices on Rooted Cuttings and Lining-out Evergreens

Spring and Fall of 1932

Lampert Floral Company

WHOLESALE NURSEYMEN

North Detroit Street, XENIA, OHIO

We present herewith subject to prior sale, our list of Evergreen Rooted Cuttings and Transplanted Stock. The cuttings have been made and rooted by us in our greenhouses in fall of 1930 and winter of 1931. Have been moved from greenhouses in fall of 1931 and remained out doors all winter making first class winter hardened stock. The Transplanted Stocks are from open ground grown by us from cuttings; are all strong, well grown, first class, well rooted. They have been grown for one to six years in transplanting beds and are suitable for lining-out in the nursery rows. State Inspected.

This stock is all well seasoned and will soon grow into money for you. Our prices are lower than first class stock can be grown for.
